IRISH FRIENDS HONOR RICHMOND MAN

John Noland on Directory and John Sexton on Nominating Committee at Meeting

Richmond council for recognition of the Irish Republic sent several delegates to the meeting at Lexington Saturday at which time resolutions were adopted calling upon the United States to recognize the Irish Republic and officers were for the ensuing year. Among the officers named is Hon. John Noland, of Richmond, a member of the Council Directors. John E. Sexton, of Richmond, was a member of the nominating committee, and the Madison county delegates all took active part in the proceedings.

The convention was marked by harmony, enthusiasm and a spirit of patriotism that augurs well for substantial aid for the cause of Irish freedom in Kentucky.

Following is a copy of the resolutions, drawn by Attorney Frederick W. Schmidt, of Covington, presented by Rev. Gerald J. Connolly, of Florence, Ky., member of the committee on resolutions, and unanimously adopted by the convention:

"The American Association for the Recognition of the Irish Republic for the State of Kentucky in convention assembled at Lexington, this the 12th day of February, 1921, adopts the following resolution:

"Whereas, the American people pledged their word and honor that they were fighting to make the world safe for democracy, and to secure the freedom of small and defenseless nations; and

"Whereas, the Irish nation has now adopted a republican form of government and, in spite of all obstacles, is functioning as such;

"Now, therefore, we demand that the pledges of America to humanity be fulfilled, and that our government recognizes the Irish republic at once."

"Be it further resolved, that a copy of these resolutions, duly certified to the President and Vice President of the United States, Secretary of State Colby, chairman of the Foreign Relations Committee, the Speaker of the House of Representatives and the Senators and Congressmen from the State of Kentucky."

Officers elected to serve for the ensuing year are:

Martin T. Kelly, Lafayette Council, Lexington, president.

Frank Hanlon, of Covington Council, vice president.

Wm. J. Higgins, George Washington Council, Newport, secretary, re-elected.

Miss Mary E. Cochran, Robert Emmett Council, Louisville, treasurer.

John J. Reagan, Newport, National director for Kentucky, re-elected.

Council Directors—Frank McCarty, Lexington; Richard Tobin, Frankfort; E. H. Gory, Paris; Thos. Conry, Covington; Thos. McQuegan, Paducah; John Tiernan, Newport; John Noland, Richmond; Joseph Cassidy, Bellvue; P. J. Loenard, Winchester; Owen Sullivan, Louisville; Fred W. Schmidt, Latonia; and Nora E. Cooper, Nicholasville.

EASTERN PLANS FOR FAST BALL TEAM

Basket Ball Schedule Heavy From Now On—Prospects Fine For Diamond

A full team of letter men, with possibly one or two more than the required nine, is expected to report for baseball practice at the Eastern Kentucky State Normal School when Coach Hembree issues his call for indoor practice the middle of March, it was stated today. Efforts are now being made to schedule games with colleges throughout Central and Eastern Kentucky.

Beginning tonight, the Normal Normal School basket ball team faces quite a heavy schedule for the remainder of the season. St. Mary's College comes with one of the fastest teams that ever represented that school. St. Mary's has been playing teams in and around Louisville with excellent results. The Normal boys will have a tough proposition to handle when they face such an experienced team. Later in the month St. Bennett, Berea, Union College and a return game with St. Mary's will be played.

The opening of the second semester brought in a splendid group of basket ball men. One entire high school basket ball team enrolled. The team that has represented Science Hill high school during the early part of the season came in a body and are practicing with the regular team. Some of these boys are destined to become real stars of the net game and the local institution is fortunate to have them begin their work here.

The Model High team will complete its schedule during the present month. Just as soon as the basket ball schedule is finished, a call for baseball candidates for Monday. At the time Dr. Ainslie gave a wonderful interpretation of the 22nd, 23rd, and 24th Psalms. Being a man of great soul culture, he is able to unearth new beauties, and reveal deeper yet clearer meaning to the passages of scripture which he discusses.

The afternoon talks are devotional studies, and well worth the hearing. No one who is interested in the growth and development of the Christian character can afford to miss these services at 3 o'clock each day.

Dr. Ainslie's subject for the evening was the one little word, "Grow." God whispers to everything that life, "Grow."

"The tragedy of the race is a dwarfed soul," says Dr. Ainslie, "and the pity is the contentment of these little souls."

The world has grown rapidly in science and the utilities, but little progress has been made in spirituality since the time of the Apostles.

"A divided church does not produce spiritual growth." The three chief aids to the growth of the spirit are daily Bible reading, prayer and liberality.

The word of God must be translated into the human heart and become a living thing.

Dr. Ainslie's description of the steps in spiritual growth was a masterpiece of clearcut instruction, worded to please the ear and to inspire the heart and soul to grow.

"The Health of the Soul," will be Dr. Ainslie's subject for this evening at 7:30.

SEVEN-CENT FARE WINS IN LOUISVILLE

By Associated Press

Louisville, Feb. 15—Federal Judge Evans today overruled the city's motion to dismiss the Louisville Railways suit for a temporary injunction against the city to prevent interference with the railway charging a seven-cent street car fare. The court also ordered the railway company to create a situation whereby it could come in and ask for a temporary restraining order, which situation, its attorneys said, would mean inauguration of the seven-cent car fare in Louisville at once, unless delayed by an appeal to the Federal District Court of Appeals.

Armenian Volunteers Defending Aintab From Turks

Armenian volunteers in one of their hastily-constructed defenses on the outskirts of Aintab, defending the city against an attack by a Turkish nationalist force. At the right is J. Darakjian, over sixty years old, who held 29 Turks at bay, using a gun that saw service in the American Civil war.

THREE ESCAPED CONVICTS CAPTURED

By Associated Press

Lexington, Ky., Feb. 15.—Officers searching for the three convicts who escaped from the state reformatory at Frankfort Sunday night telephoned here today, saying the convicts were captured in Fayette county, and that officers are on their way here with them. There are no details.

DR. AINSIE TELLS FOLKS TO "GROW"

By Associated Press

Pontiac, Mich., Feb. 15.—Safe blowers who opened the vault of the Farmers and Merchants Bank at Utica, near here, early today were driven back by mustard gas, a can of which was left in such a position that it was broken open when the door was forced. The thieves fled empty-handed.

The continued large attendance at the meetings at the First Christian church proves that the people of Richmond are interested in Christian growth and Christian union. The afternoon audience was remarkable in size for Monday. At the time Dr. Ainslie gave a wonderful interpretation of the 22nd, 23rd, and 24th Psalms. Being a man of great soul culture, he is able to unearth new beauties, and reveal deeper yet clearer meaning to the passages of scripture which he discusses.

The afternoon talks are devotional studies, and well worth the hearing. No one who is interested in the growth and development of the Christian character can afford to miss these services at 3 o'clock each day.

Dr. Ainslie's subject for the evening was the one little word, "Grow." God whispers to everything that life, "Grow."

"The tragedy of the race is a dwarfed soul," says Dr. Ainslie, "and the pity is the contentment of these little souls."

The world has grown rapidly in science and the utilities, but little progress has been made in spirituality since the time of the Apostles.

"A divided church does not produce spiritual growth." The three chief aids to the growth of the spirit are daily Bible reading, prayer and liberality.

The word of God must be translated into the human heart and become a living thing.

"The Health of the Soul," will be Dr. Ainslie's subject for this evening at 7:30.

DOCTOR TELLS OF VICTIMS' WOUNDS

By Associated Press

Williamson, Feb. 15.—Realistic testimony was given in the Matewan trial here today. Dr. R. A. Salton, physician, examined the bodies of the seven Baldwin-Felts detectives, killed in the fight. He said their leader, Albert Felts, was shot four times. He asserted one wound was powder-burned. Lee Felts was shot once in the back. He testified that five other detectives fell from pistol or rifle fire. The testimony was heard in almost breathless silence by the 19 defendants and a crowded court room.

The Japanese Menace

Associated Press dispatches Sunday said that navy officials see in the attack upon five American service men at Vladivostok, another evidence of antagonism on the part of the Japs who are in control of the area now. A lot of folks have taken with a grain or two of salt the anti-Jap propaganda that has been issuing from California for a number of years. It really begins to look like the little brown men of the Orient are trying to see just how how much your Uncle Sam will take before he knocks their block off. Senator Phelan, of California, a very able man, told some things about Jap occupation of California that deserve thoughtful and active consideration. Speaking before a bankers' meeting at Baltimore, the California Senator is quoted as saying: "This alien invasion is threatening the life of California as a white commonwealth," the Senator said, "and the only protests by white Californians being made against California's efforts to rid herself of the Japanese immigrants are made through selfish cupidity and not by patriotism.

"There are now 100,000 Japanese in California," the Senator said. "They have 65 Shinto temples in which their children are trained to worship the Emperor of Japan. They own or control 463,000 acres of arable land, or one acre in every eight. One child in every thirteen born in California is a Japanese, and ev-

P. O. Box 532.

try Japanese child born on American soil is an American citizen under the constitution.

"The Japanese control the bulk of production of many vegetables and fruits, fixing the prices. Last year they took \$69,000,000 out of California soil and sent it to Japan to build up Japanese industries to compete against us and to build ships which may fight against us.

"This ultimately means conflict if the problem is not settled. California will fight for its land. The only way war can be averted is by remedying the evil, and the only time to remedy it is now, when America can tell Japan what to do—not to wait until Japan might be strong enough to tell us. The American Legion sees this question clearly and patriotically. We are not demanding anything which Japan does not practice in her own land. But the aliens who forever will remain aliens must be barred from our land."

The Daily Register's splendid correspondent at Bend, who knows a hawk from a handsaw and is a philosopher of anagnosy and general understanding in the premises, says that out in his section a lot of people have quit complaining of the High Cost of Living and are talking about the High Cost of Liquoring. Can you beat it?

\$500,000 For Wilmore

(By Associated Press)

Wilmore, Ky., Feb. 15.—The citizens of the town of Wilmore recently were informed that if they would subscribe \$100,000 toward a \$500,000 endowment fund for Wilmore College the Alumni Association and the Methodist church thruout the state would raise \$400,000. The community met the proposition by contributing \$200,000, according to information given out at the college.

Oldham County Jersey
Is Champion Butter Cow

Lagrange, Ky., Feb. 15—"Taylor," a grade Jersey cow, owned by R. P. McMakin, an Oldham county farmer, has been named the champion producer of all of the 1,540 cows included in the state's six cow testing association, according to a report from E. M. Prewitt of the State College of Agriculture, who is in charge of this work. During 1920 the new champion produced 534 pounds of butter fat and 10,328 pounds of milk.

The nights are dark, but still there is some "shine" in some parts, as well as some other things. A good house cleaning is very essential at times.

ATTENTION TOBACCO GROWERS

PLACE ORDERS FOR TOBACCO SEED NOW

The blight wildflower or rust which destroyed so many crops of tobacco last season and so seriously injured many more, has caused a great money loss to the farmers and will cause many who wish to escape or minimize as far as possible this danger in 1921, to consider the quality of the tobacco seed which they will sow this year, if it is determined to sow any, and to inquire carefully as to when, where and by whom the same was produced.

No one seems to know the source or cause of this disease. Some contend that it was produced entirely by weather conditions and that the disease is not transmitted from the plant to its seed, while others believe that whatever may be the source or cause of the disease it may be so transmitted.

Mrs. Lucy Smythe has a turkey hen that began to lay the first of February. The main thing some people are complaining about is not the high cost of living. It is the high cost of liquoring.

The schools will commence again in the rural districts the first of March. The time for farming will be here. A small attendance is predicted. It is thought little attention will be given to the compulsory laws unless they are strictly enforced.

Mr. Groundhog is taking his six weeks' sleep. It is said by one

who watches his movements that if he came out and not seeing his shadow, went back to his winter quarters. We are expecting an early spring, if there is anything in hogism.

In the next few years there will be a crop of babies named Gamaliel Harding.

Stock of all kind is wintering well. There is an abundance of feed. The people in the lowlands heard a voice last year and moved their feed on higher ground.

Pleas Dennis has commenced plowing, preparatory to this year's crop.

Whooping cough is raging in this section.

Mrs. Alvin Dennis is very sick.

Mr. Griffin, of Paint Lick, has rented A. C. Dennis' farm and will get possession the first of March.

The report of the grand jury is good. May their good work reach out into the rural districts and isolated parts.

It is quite likely that the seed from the 1919 crop is limited in quantity and therefore it becomes the more important for the farmers who desire such seed to secure the necessary quantities as soon as possible before the supply is exhausted.

Among the well known and leading brands of such seed which has been tested for a number of years in the Burley district and well known throughout said section by the farmers, is "Judy's Pride," produced and sold by W. S. Judy Seed Company, of Lexington, Ky., which has made a business for a number of years of producing this well known and tested variety.

In order to avoid any danger of contributing to the recurrence of rust, this company burned and destroyed all the seed produced from their 1920 crop, which was cultivated solely for the purpose of securing the seed.

They are now offering to the farmers only the seed produced from their 1919 crop, of which they have only a limited quantity left. This will go to the farmers in the nature of a "first aid," and gives them an opportunity to avoid whatever risk or loss might result from rust, and they are offering this to the farmer.

This seed was carefully grown and saved from choice stalks only, and the farmers can rest assured that the use of this seed will reduce the danger of loss from rust to the minimum.

Lives to See the Prescription He Wrote in 1892 the Worlds Most Popular Laxative Remedy

DR. W. B. CALDWELL TODAY
Born Shelbyville, Mo., March 27, 1839
Began the manufacture of his famous
prescription in 1892

Founder of Dr. Caldwell's Syrup Pepsin, the largest
selling liquid laxative in the world, long past
Biblical old age, but hale and hearty—Still
sees patients daily—Wonderful achievement
of a "country doctor."

WHEN I started to practice medicine, back in 1875, there were no pills or tablets or salt waters for the relief of constipation, and no artificial remedies made from coal tar.

The prescription for constipation that I used early in my practice, and which I put in drug stores in 1892 under the name of Dr. Caldwell's Syrup Pepsin, is a liquid remedy, and I have never had reason to change it. I intended it for women, children and elderly people, and these need just such a mild, safe, gentle bowel stimulant as Syrup Pepsin.

I am gratified to say that under successful management my prescription has proven its worth and is now the largest selling liquid laxative in the world. The fact that over eight million bottles were sold by druggists last year proves that it has won the confidence of mothers whose chief interest is the health of their children.

Pharmacopoeia. I consider Syrup Pepsin today in the serious 82nd year of my age, as I did in 1892, the best remedy a family can have in the house for the safe relief of constipation and its accompanying ills, such as headaches, biliousness, flatulence, indigestion, loss of appetite and sleep, bad breath, dyspepsia, colds and fevers.

Millions of families are now never without Dr. Caldwell's Syrup Pepsin, and I believe if you will once start using it you will also always have a bottle handy for emergencies.

TRY IT
FREE
Send me your name and address and I will send you a free trial bottle of my Syrup Pepsin.
Address me Dr. W. B. Caldwell, 513 Washington Street, Mountic Ila, Illinois. Everybody now
and then needs a laxative, and it is well to know the best. Write me today.

SOCIAL AND PERSONAL

Beautiful Valentine Party

The mission bands of the city schools and Model school had a contest for membership, and the former winning, the Model entertained them Sunday evening with a Valentine party in the Christian church parlors. The rooms were tastily decorated in red hearts and Valentines were distributed to each member thru a small postoffice. The committee in charge were Misses Margaret Greenleaf, Mary Arnold, Elizabeth Stanifer, Mildred Young, Eleanor Carpenter, Francis Mays, Jessie Burnam and Francis Langford. There were about 90 children in attendance. Delightful refreshments were served. Mrs. W. P. Millard and Mrs. Harold Oldham assisted in the hospitality.

Missionary Meeting.

The W. M. S. of the First Baptist church met with Mrs. Harry Blanton Friday afternoon. After a short business session at which time visiting committees were appointed and leaders selected for the week of prayer service, the devotional part of the pro-

gram was led by Mrs. H. C. Jasper. Mrs. Green, Mrs. Anderson, Mrs. Park, and Mrs. Koffman were on duty for the literary numbers and Miss Lou Wells rendered a beautiful violin solo, with Mrs. T. D. Chenault, accompanist. Twenty-five members were present and three new ones enrolled. After a pleasant social hour, the meeting adjourned to meet with Mrs. Jasper the second Friday in March.

Mission Study Class

The Mission Study Class of the Methodist church had their regular meeting with Mrs. C. T. Wells, Friday afternoon. Mrs. G. D. Smith was the leader for the afternoon. The hostess was assisted by Mrs. J. A. McClinton. A pleasant social hour was enjoyed and delicious refreshments were served. There were about 24 members in attendance.

Apollo Club Meeting

The Apollo Club held a delightful meeting with Miss Emily Chenault Monday afternoon. A miscellaneous program was rendered at the conclusion of which delightful refreshments were served.

Periodic Bilious Attacks

Persons subject to periodic bilious attacks will observe that their appetite fails them just before an attack. That is, they do not really crave food but eat because it is meal time. If they will eat only a light meal and no meat, then take two of Chamberlain's Tablets the attack may be avoided.

Mr. and Mrs. Frank Tinder, of Kirksville, were with friends Monday.

Friends here are sorry to know that Miss Dorothy Grinstead is quite ill with grip at her home in Winchester.

Miss Zerelda Baxter is expected home from Finchville Friday to spend the week-end with her parents, Judge Baxter and Mrs. Baxter on the Summit.

Mrs. R. E. Milford is here this week from Louisville for a several days visit.

Dr. Peter Ainsle and Dr. Carpenter were in Lexington Monday.

Mrs. Homer Fanning is in Cincinnati this week shopping.

Mrs. S. P. Bush is recovering from a severe attack of tonsilitis.

Mr. O. A. Brock is in Winchester, the guest of his brother, Mr. C. F. Brock, on Moundale avenue.

Miss Mary Keen Shackelford is detained from school this week by illness.

Mr. Charles Johnson, of Winchester, spent Sunday with friends here.

Mrs. J. B. Stouffer left Tuesday to attend the Merchants' Retail Association and banquet at the Watterson Hotel, Louisville, Wednesday.

Miss Mary Pickett Breck is ill this week, at her home on Breck avenue.

Miss Anna Bell Ward spent Tuesday with friends in Lexington.

Mrs. J. R. Pates, of Lexington, is spending a few days with her daughter, Miss Jeanette, and attending the services at the First Christian church.

Miss Marie Quillen has returned from Heidelberg, where she was called by the death of her father, Mr. Chas. Quillen.

Friends are glad to see Mr. J. C. George out after a ten days illness.

Mr. Arnold Hanger has arrived from Columbus, O., to attend the funeral of his grandmother, Mrs. Pauline Arnold.

Miss Marion Douglas is out after a recent illness of several days.

Miss C. E. Smith is in Cincinnati this week shopping.

Mrs. J. R. Moore is very ill at her home near Red House.

Mr. W. B. Freeman, of the Freeman Realty Company, had a fall at his home Sunday, painfully hurting his leg which will confine him to his room several days.

Mr. and Mrs. O. B. Powell spent the week-end in Beattyville with Mr. and Mrs. B. H. Gabard.

Mr. and Mrs. Burton Roberts, Mr. and Mrs. Harris White and Mr. Stuart White spent Tuesday in Lexington.

The final reduction sale is growing bigger day by day at Stanifer's.

IN THE MOVIES

Maurice Tourneur has succeeded admirably in putting Robert Louis Stevenson on the screen in his remarkable screen version of "Treasure Island," which will be shown at the Opera House tonight. Mr. Tourneur has done the wise thing. He has followed the story of the Stevenson classic faithfully in its details and thus has not only produced a picture that is packed with red-blooded adventure, but which is rich in the spirit and lore of the pirate days.

Shirley Mason has the role of Jim and makes a most charming youth indeed. Lon Chaney is Merry and Pew, Charles Ogle gives an excellent portrayal of Long John Silver, and other members of the cast also enter into the story with sympathy and spirit. It is a Paramount-Artcraft picture well worth the attention of everybody, whether they be a regular screen fan or not.

Things proceeded with the precision of clockwork until the "mad dash" across the lake was reached. The "mad dash" turned out a near-Waterloo for all parties concerned, due chiefly to the fact that some one had blundered and had failed to correct certain infirmities of the launch's engine.

The "mad dash" was started, and the camera began to click. Then the motor launch began to leave a vast sigh, and stopped. It stopped because the engine stopped. The scene was started again after several amateur engineers had "fixed" the engine.

The camera clicked again, and once more the motor launch's mad dash came to a halt.

This was repeated four times, with the same result. On the fifth attempt the boat, by some miracle, continued its "mad dash," and the scene was completed. The cameraman reported an excess of just three feet of unexposed film after it was all over. One more

WIFE TAKES HUSBANDS ADVICE And Is Made Well Again by Lydia E. Pinkham's Vegetable Compound

Springfield, Mass.—"The doctor told my husband that I had to have an operation, otherwise I would be a sickly woman and could not have any more children on account of my weakened condition. I refused to have the operation. My husband asked me to try Lydia E. Pinkham's Vegetable Compound to see if it would not help me. For the first four months I could do but little work, had to lie down most of the time, was nervous and could eat hardly anything, but my husband was always reminding me to take the Vegetable Compound, which I did. Of my eight children this last one was the easiest birth of all and I am thankful for your Vegetable Compound. I recommend it to my friends when I hear them complaining about their ills."—Mrs. J. M. TAILE, 72 Fremont St., Springfield, Mass.

Sickly, ailing women make unhappy homes, and after reading Mrs. Natalie's letter one can imagine how this home was transformed by her restoration to health. Every woman who suffers from such ailments should give Lydia E. Pinkham's Vegetable Compound a fair trial. It is surely worth while.

Failure would have caused a vacation until more unexposed film had been obtained, all of which Miss Joyce remarked:

"If all love and infatuation were as patient as that displayed by the elopers in this scene, there would be little excitement in the world. It is a good thing that audiences are not witnesses to the actual scene in modern photoplays. Imagine two excited lovers standing under a window for five hours, waiting for some one to stop them!"

"The Vice of Fools," will be shown at the local theatres Wednesday.

McKEE'S REMNANT SALE

Is Still Going On

Crowds have been flocking to our store since last Friday to snatch up the many bargains to be found in the REMNANT SALE.

There are still a large number of bargains on our counters, and you'll have to come at once in order to take advantage of these wonderful bargains.

This is the biggest sale we have ever held, and besides offering unusual bargains in the Remnant Sale, we have greatly reduced our prices on everything in stock.

Don't wait until after the sale closes; come now and see for yourself.

After Sleeping 14 Days
Woman Shows Improvement

Owensboro, Ky., Feb. 15.—Mrs. Clarence Shown, 33, wife of an Ohio county teacher, mother of three children, is recovering from sleeping disease after being in a comatose condition for 14 days.

Dollars and Cents

Counting it only in dollars and cents how much did that last cold cost you? A man may not always stop work when he has a cold, but perhaps it would be better if he did. It takes about ten days to get completely rid of a cold under the usual treatment. That time can be much shortened by taking Chamberlain's Cough Remedy and proper care of yourself, in fact, a bottle of this remedy in the house is a mighty good investment during the winter and spring months. reb

A French tot from the ruined city of Reims who has been rescued from the shattered streets and debris of his home town, and taken to the fresh-air colony at Villers-Allerand, where he is given sunshine and good food. The colony was established by a Reims schoolteacher for the benefit of delicate children, and she has had many fairy godmothers, including the Junior Red Cross, which has helped with 48,000 francs.

Chronic Constipation

There are people who never have a movement of the bowels without it is produced by a cathartic. Most of them have brought that condition on themselves by the use of mineral waters and strong cathartics that take too much water out of the system and aggravate the disease they are meant to relieve. A mild laxative tonic like Chamberlain's Tablets affords a gentle movement of the bowels that you hardly realize has been produced by a medicine, and their use is not as likely to be followed by constipation.

NEWBY

Mr. R. John Heathman purchased a beautiful red cow from Mr. John Whitaker. The price paid was \$50.

Mrs. Sara Whitaker spent Wednesday night with Mrs. Pendleton Whitaker.

Mr. Vince Collins was back to this place Wednesday.

Mr. and Mrs. Oscar Whitaker spent Tuesday with his father, Mr. Charlie Million is on the sick list.

Mr. and Mrs. Pendleton Whitaker entertained relatives Sunday.

Mr. and Mrs. John Whitaker made a business trip to Richmond Wednesday.

Mrs. Oscar Whitaker spent Monday with Mrs. Houston Singer.

People of this place are deeply grieved over the death of Mr. Brutus Bogie.

Mr. Luther Stocker and daughters, Nellie and Lou Francis, made a business trip to Newby Tuesday.

Mr. Julian Million spent Wednesday on his farm.

Mr. Price Whitaker spent Saturday and Sunday with Master Delbert Whitaker.

People of this place are still busy talking of tobacco but are still more busy bringing in their money.

MOTHER GAVE IT

Virginia Lady Suffered With Aches
and Pains Until Mother Began
Giving Her Cardui.

Dublin, Va.—Miss Mary Alica Huggett, residing on Route 2, near here, recently told a visitor of her interesting experience with Cardui. Miss Huggett said: "I had been suffering for some time with painful... I was pale, didn't feel like going. Would just drag around and couldn't rest to do any good. I would suffer on and on more with my back, sides and head. My limbs would ache and I didn't know what to do, but I knew I must do something, for I didn't get well by letting it run on."

"My mother is a believer in Cardui, for she saw what it did for others as well as herself, so she began giving it to me."

"It wasn't long before I saw a change. It was just what I needed. It regulated me. I began to eat and sleep, and the pain stopped."

"Cardui is without doubt the best female tonic made, and I am glad I can recommend it to others."

If suffering with symptoms such as

Miss Huggett mentions, or other ailments peculiar to women, why not begin Cardui at once? Its merit is well established by successful use for more than 40 years.

The instructions always issued to such expeditions are not to take risks. Yet the collector in his zeal and enthusiasm for his work would scarcely be human if he followed these instructions to the letter, and he frequently takes risks of many kinds. In such expeditions of the museum it is not recalled that any of their men have been dangerously injured. They have had, to be sure, attacks of mountain sickness which is a sort of fever.

Looking for fossils is a serious work. The prospecting must be carefully done. If a big skeleton is to be removed a good deal of digging is required, and this must be done with extreme care. Sometimes it is necessary to blast a ledge. The work of "prospecting a specimen" is anything but easy. Big specimens must be removed in several blocks, and great care must be used in handling them and in preparing them for transit as they frequently must travel from 1,000 to 3,000 miles to reach their destination.

of Mr. W. C. Wynn.

**THIS MAY HELP THE
MARRIED MEN SOME**

By Associated Press

Frankfort, Ky., Feb. 15.—"Where a married woman is interested in a business apart from that of her husband, she must use her own Christian name instead of signing the initials of her husband," says a warning issued by W. H. VanHoose, corporation clerk in the office of Secretary of State Fred Vaughn. He said that many corporation papers had to be returned for correction because married women insisted on signing their husband's initials instead of their own.

"Under the Kentucky laws a woman may contract, sue and be sued separately from her husband, when she operates or is interested in a business in which the husband has no interest."

IT'S THE BUSINESS MAN'S GREATEST ASSET

A TRUCK FOR CITY, FARM AND INTERURBAN DELIVERIES

In the few years it has been on the market, the Ford One-Ton Truck has mounted rapidly to popularity. During the past year, more than one-third of the total number of trucks sold in the United States, were Ford One-Ton Trucks. It is a record of achievement made entirely on demonstrated merit.

Wherever the Ford Truck has been used—on the farm, in the city, its sure, economical service and simplicity have made it a success. So that today it is necessary for the wholesale, the retailer, the farmer. It offers efficient and economic hauling for every business. Demountable Rims and Pneumatic Tires.

The Ford One-Ton Truck costs less to buy than any other truck; it costs less to operate and less to maintain. Added to this, is the Ford service organization: spare parts and Ford mechanics are always convenient and ready to keep the Ford Truck on the job. The Ford Truck cuts delivery costs. Because of increasing demand, orders should be placed without delay. We will give you prompt attention. If you have any doubts on the subject drop in and get further facts.

THE DAILY COURIER-JOURNAL
AND

THE RICHMOND DAILY REGISTER

Both One Year, by mail, for only \$8.00

This offer applies to renewals as well as new subscriptions, but only to people living in Kentucky, Tennessee, or Indiana. New subscriptions may, if desired, start at a later date, and renewals will date from expiration of present ones.

If you prefer an evening newspaper, you may substitute The Louisville Times for the Courier-Journal.

Send or bring your orders to the office of

THE DAILY REGISTER, RICHMOND, KY.

LIVE STOCK VALUES SHOW BIG DECREASE

Shrinkage in Markets Given as Cause for Great Reduction in Annual Reports

(By Associated Press)

Frankfort, Ky., Feb. 15—The value of live stock on Kentucky farms January 1, 1921, was approximately \$126,818,000 as compared with approximately \$167,906,000 on January 1, 1920, according to annual estimates issued jointly by the United States Bureau of Crop Estimates in co-operation with State Commissioner of Agriculture W. C. Hanna. The decrease, according to the report of the estimate, is due chiefly to the shrinkage in market value per head, though there has been a considerable shrinkage in numbers, especially of hogs. Dairy cattle show a slight increase in numbers.

This estimate gives the numbers of live stock of various classes in the state January 1, 1921, as follows: Horses, 520,000; mules, 250,000; milk cows, 466,000; other cattle, 562,000; sheep, 1,137,000; and swine 1,429,000. This indicates the number of mules on Kentucky farms is the same as on January 1, 1920; milk cows have increased 2 per cent, while other cattle have decreased 5 per cent, horses a little more than 2 per cent, sheep about 8 per cent and swine nearly 15 per cent.

The average farm value of milk cows January 1, 1921, was \$87 per head, as compared with \$73 the year previous; other cattle \$30.10 compared with \$41.20; horses \$84 compared with \$101; mules \$107 compared with \$126; sheep \$6.50 compared with \$10.90 and swine \$9.90 compared with \$13.

The number of animals on the farm January 1, 1920, was horses 429,000; mules 250,000; milk cows 457,000; other cattle, 592,000; sheep, 1,236,000 and swine 1,681,000.

PUBLIC AUCTION

we will sell for

Mrs. Bettie Irvine

her

3 1-2 ACRE FARM

Located on Boggs Lane, one-fourth mile from the city limits, lays the beautiful little home of Mrs. Irvine.

The improvements consist of a 6-room house, good as new, well arranged and up-to-date. Cistern at back door, good outbuildings, small barn, but a good one. All the improvements are newly painted and in fine repair. Right on the pike and just a stone's throw off Big Hill Avenue.

IF YOU WANT A HOME in town and enough land to make a living on besides, look this property over before day of sale. By owning this home you are exempt from paying city taxes, and still enjoy the luxuries of the city.

Accept this as your one opportunity to live in town and have some good land as an asset.

This may be your last chance to buy this kind of a home so conveniently located. **DON'T DELAY!** Remember this, The Freeman Realty Company conduct their sales on the square. No by-bidding.

TERMS—Made known on date of sale.

Possession immediately.

For further information get in touch with the owner or call at our office.
